

Bingo

Activity Directions

- Answer the question given, and try to find the answer on the Bingo board. Once you find the answer cover the answer with a token, or circle it with your pencil/marker.
- Your goal is to be the **first** one to fill up an **entire row** across, once you fill it up you say “BINGO”.
- If you see a FREE space that means you get that one right away! Lucky you!
- There may be answers on the board that are not correct and are trying to trick you. Be careful!
- It is possible that the Bingo card could have repeat answers. So it is important to make a good decision because you are **NOT** allowed to switch your answers later!
